

Hello my name is Travis.

I cannot explain how important training at a time like is for young players! Baseball players are getting better and better each year! Therefore, if you fall behind it is tough to catch up!!

Kory and myself teach the fundamentals of hitting from a Professional Standpoint! We are not going to mold players into a way we think they should hit! We believe in finding the right mechanics for that individual player so he can maximize his potential to the fullest! We are not trying to "Reinvent the Wheel!" There is more than one right way to hit! We take pride in the development of young players and believe that hard work and dedication is the key to success!!! This is a very unique opportunity!!

We encourage parents to come and watch!!! Kory and I are both University of Portland Alumni so we can answer any questions about the college recruiting process as well as professional baseball assistance if and hopefully your son is contacted!

Thank you!

Where:

Complete Game Hitting Facility

15995 SW 74th St

Tigard, OR

**Right off of Durham road, only a few minutes from LO.

When:

November 10 - December 21

January 9 - Feb

Pricing:

6 week camp 2 times per week for 1 hour (12 sessions total)

\$400 each for groups of 3-4 (approx. \$33 per session) Hitting only

\$500 each for groups of 2 (approx. \$42 per session) Hitting only

\$600 each for individual (exactly \$50 per session) Hitting and fielding...no pitchers or catchers please!

Individual lessons

\$50 for solo lesson which will last approx. 30 minutes. (1 full hour is too much hitting for one kid...trust me!

Quality over quantity!)

\$60 each for 2 kids

\$50 each for 3 kids

\$40 each for 4 kids

Obviously it would be beneficial and cheaper in the long run to do the camps. Plus the times you choose will be set. Individual lessons will be based on availability only!

We would like to get the money up front, but also realize times are hard so we will except half and half payments upon request!

Also, for the parents who would like to have a session before paying full to see how we work would cost \$40 each kid for that hour and will go towards the group cost if you decide to continue the lessons!!!!

*We would like to keep the weekend time slots for individual lessons or groups of no more than 4 guys. I will probably be conducting the individual weekend lessons myself!
