

The Yard Baseball Academy's Instruction for Ballplayers, by Ballplayers **Big-League Hitting Camp**

With tryouts only a month away, it is time to get the kinks out of the swing and make sure that you are ready for the first day of the season. On **Saturday, January 23th**, The Yard Baseball Academy is getting together with a couple of professional hitters to offer you an extensive hitting camp.

Join The Yard instructors along with professionals Kory Casto and Travis Vettters in a complete hitting camp geared towards helping ballplayers prepare for the upcoming season. Hitters will learn skills that will help them become a more consistent hitter throughout the entire season.

This two hour camp will give you instruction on how to improve your swing, power, and ability to make contact on a regular basis. We have limited spots available for the camp, so don't miss the opportunity to learn hitting from a big-league perspective in a very individualized setting.
