

BRADY CLARK BASEBALL- Individual and group hitting lessons

Baseball is my passion. I have lived and breathed baseball my entire life. I spent fourteen years in professional baseball, nine of which were in the major leagues before retiring in 2010. Over the years, I have played, learned, and been around some of the best people in the game. Now, I want to share this knowledge of the game, along with the life lessons it has taught me. As a client, you will learn the fundamentals, the mental approach, and much more to help you get to the next level. For more information or to schedule, email me at brdyclark@aol.com.
